

## What Every Florida Voter Should Know

### Registration Deadline

Florida's deadline to register to vote is Monday, October 5, 2020.

### Requesting to Vote-By-Mail?

The deadline to request to Vote By Mail is Saturday, October 24, 2020 by 5pm.

### Early Voting Dates

Every county is required to have early voting from **October 24 – 31, 2020**. County Supervisors of Elections may choose to host early voting on these additional dates: October 19, 20, 21, 22, 23 and November 1. Contact your county Supervisor of Elections' office or look their information up at <https://dos.elections.myflorida.com/supervisors>.

### Election Day

Election Day is November 3, 2020 and the polls are open from 7am to 7pm. If you are in line when the polls close, you are entitled to vote.

### Vote-By-Mail Ballot Return

Whether you mail it back or drop it off, your County Supervisor of Elections' office must receive your vote-by-mail ballot by 7pm on Election Day. If you change your mind and decide you'd rather vote in person on Election Day, you can bring your vote-by-mail ballot to your poll location. Once you surrender it to a poll worker, you can vote a regular ballot.

### Vote-By-Mail Requirements

Make sure to sign the ballot envelope. You can track the status of your ballot at <https://registration.elections.myflorida.com/CheckVoterStatus>. If there are any issues with your ballot, such as forgetting to sign the ballot or envelope, you may "cure" these issues until 5pm on the second day after the election. You can look up details on the cure process at <https://dos.myflorida.com/media/700479/dsde139.pdf>.

### Voting in Person

If you are voting in person, you must show one of the following valid photo IDs containing a picture and signature: (1) Florida driver's license; (2) Florida ID card issued by the Department of Highway Safety and Motor Vehicles; (3) U.S. passport; (4) Debit or credit card; (5) Military ID; (6) Student ID; (7) Retirement center ID; (8) Neighborhood association ID; (9) Public assistance ID; (10) Veteran health ID card issued by the U.S. Dept. of Veteran Affairs; (11) A concealed weapon or firearm license; or (12) Employee ID issued by the federal, state, county, or a municipality.

**Note on Signatures:** If your photo ID does not include a signature, you must produce additional ID from the list above that includes your signature. If the signature on your photo ID does not match the signature on the voting precinct register, a poll worker will instruct you to complete an affidavit affirming your identity and qualification to vote in the county. Once you complete the affidavit, the poll worker should give you a regular ballot.
